you have knowledge  
that, people have  
search numerous times  
for their favorite books  
like this a gentle  
introduction to agile  
software development,  
but end up in malicious  
downloads.

Rather than reading a  
good book with a cup of  
tea in the afternoon,  
instead they cope with  
some malicious virus  
inside their laptop.

## Introduction To Agile Software Development

For the past several decades, numerous non-government organizations (NGOs) have used the process of monitoring and evaluation (M&E) to track the progress of programs. Likewise, organizations such as the United Nations and the World Bank have embedded M&E into their organizational processes to improve
