Charlie is the titular character and the protagonist of Charlie and the Great Glass Elevator. He is very kind and brave, but unfortunately also extremely poor. He lives with his mother, his father, and his four bed-ridden grandparents. Charlie is generous and selfless. He is the only one who would have been fit to run the factory. At the end of the previous story, Wonka bequeathed the factory ...

Charlie and the Great Glass Elevator, the sequel to the famous Charlie and the Chocolate Factory literally blew my mind in a different way, and I quite enjoyed this awfully far-fetched yet a glorious journey! The story picks up at exactly where we left off in the previous book. I must admit that the ending of the first book was rather abrupt as though it was chopped off undeveloped, but no ...

Charlie and Mr Wonka and all the others could see clearly the huge silvery shape of Space Hotel ' U.S.A. ' about a mile ahead of them. And behind them was the smaller (but still pretty enormous) Transport Capsule. The Great Glass Elevator (not looking at all great now beside these two monsters) was in the middle. And of course everybody, even Grandma Josephine, knew very well what was going ...
