These are just a few of the words used by adopters and reviewers of John Santrock's Child Development. The topically-organised fourteenth edition continues with Santrock's highly contemporary tone and focus, featuring over 1,000 new citations. The popular Connections theme shows students the different aspects of children's development to help them better understand the concepts. Used by ...

Santrock does a great job giving a ton of information regarding past and present studies of psychological growth and development in a very small textbook. If you have this for a class, don't just read it, enjoy it. And if you need more than the book is giving you, the references Santrock uses are excellent. We're reviewing them in class and it has been extremely beneficial.
