Drawing makes children more expressive. Children can't always express themselves using words and actions, so drawing is another important form of communication. You can gain an insight into your child's thoughts and feelings through their drawings. Being able to express what they feel also boosts a child's emotional intelligence. Why not get out the colouring pencils and pens, try our ...

During the coronavirus quarantine period in Spring/Summer 2020, I realised that lots of people were going to find themselves at home with their children for several weeks/months looking for things to do. So I decided to post some draw-along videos that parents could watch with their kids and, hopefully, make some nice pictures. Let's use this time to be CREATIVE!

[Children Playing Images, Stock Photos & Vectors | Shutterstock](#)

Because most children enjoy drawing, this activity provides time to establish the concepts of concentration and practice. These concepts will be essential to your child's academic success, even in elementary school. Learning how to observe small details, concentrate on achieving a specific result, and practice tricky tasks helps your child mature. 4. Improves Hand-Eye Coordination. In ...

Drawing pictures allows children to unleash their imagination on paper. Drawing a picture provides a pre-writer the opportunity to plan, brainstorm, and develop new ideas. When a child draws a picture, he/she is telling a story. A writer is born the first time your child puts crayon to paper. "Picture writing" is an important first step in the writing process. When pre-writers use picture ...

As noted, the emotional trauma experienced by sexually abused children makes it difficult for them to disclose the abuse in any manner, and particularly on an individual basis. Therefore, in general it is best to obtain children's drawings in the context of a large group (e.g., classroom guidance) activities. Although sexual abuse or its prevention are potentially appropriate topics for such ...
