*The phrase “bullshit jobs” clearly strikes a chord with many people. It makes sense to them in some way. This means they have, at least on some sort of tacit intuitive level, criteria in their minds that allow them to say “That was such a bullshit job” or “That one was bad, but I wouldn’t say it was exactly bullshit.” Many people with pernicious jobs feel the phrase fits them ...*

*Practising these studies over a drone or a static chord also serves as a great ear training tool, as well as a hardcore reading and technique workout. As the book title suggests, the etudes aren't that rhythmically taxing, but there's a huge pitch range and - unless you're playing a 6-string bass - you'll need to do a lot of position shifts.*

*Pop-punk (also known as punk-pop) is a rock music genre that combines the textures and fast tempos of punk rock with the melodies and chord progressions of power pop and pop music. It is defined for its emphasis on traditional pop songcraft and adolescent and anti-suburbia themes, and is distinguished from other punk-variant genres by drawing more heavily from 1960s pop rock and the music of ...*
