Mechanics (Greek: ... Aristotle's theories were criticized and modified by a number of figures, beginning with John Philoponus in the 6th century. A central problem was that of projectile motion, which was discussed by Hipparchus and Philoponus. Persian Islamic polymath Ibn Sīnā published his theory of motion in The Book of Healing (1020). He said that an impetus is imparted to a projectile ...

This edition uses a pleasant blue theme in comparison to the reddish-pink of the fifth edition. It has a cleaner look overall, and I think the changes in title/heading color are a definite improvement for on-screen reading. There are a few places where figures include small areas of white-on-lime-green text that I have to zoom in on to read, but generally the changes are improvements.
