There is also an assessment form in the middle of taber's cyclopedic medical dictionary under the listings for "Nursing". It would also be a good idea to try to get a blank form that you will be using at the nursing facility you will be doing your clinicals in so you can get familiar with the form you will be using.

So, to shed some light on documentation, here at ThriveAP HQ, we've been doing a system-by-system series on

documentation. These blog posts will help guide your charting giving you the words you may need to accurately represent a physical exam. Today, let's check out basic documentation of the HEENT (Head, Eyes, Ears, Nose, Throat)
